The image displays two side-by-side screenshots. The left screenshot shows the Fitness Mama website's promotional page for the 'Maratonul „Abdomen Plat”'. It features three subscription options: 12 luni (€1200, promo €599), 6 luni (€600, promo €399), and 3 luni (€400, promo €279). Below the offers, there are three icons representing program variety, menu options, and professional nutrition advice. The right screenshot shows a widget editor interface for the same page, titled 'Îți alegem programul potrivit'. It includes a form with fields for 'Nume', 'Email', and a phone number, followed by a 'Primește consultanță' button. The editor interface also shows a sidebar with various widget settings and a 'Preview' button.
