

Stripe

- [Как проверить оплату в Stripe?](#)
- [Необходимые статьи](#)

??? ?????????? ??????? ? Stripe?

1. Открываем дашборд в страйпе — <https://dashboard.stripe.com/>

The screenshot shows the Stripe dashboard for a user named 'Innko'. The interface includes a left-hand navigation menu with categories like Home, Balances, Transactions, Customers, and Product catalog. The main content area displays a 'Today' summary with a bar chart showing 'Gross volume' for 'Yesterday' at \$0.00. Below this, there are sections for 'USD balance' (\$0.00) and 'Payouts' (\$8.48). An insight card on the right highlights that '85% of Chinese customers use Alipay'. At the bottom, there is a 'Your overview' section with filters for 'Last 7 days', 'Previous period', and 'Daily'.

2. Вводим в поисковой строке почту клиента и ниже должны отобразиться все связанные платежи. Для более детальной информации о платеже можем нажать на него.
