

Как загрузить видео из интернета (YouTube и прочее)?

Один из лучших и бесплатных найденных сервисов это - <https://clipgrab.de/ru>

Из расширений для браузера - <https://www.hlsloader.com/>

Stream Recorder

[Terms](#)

Browser Extension for downloading streaming videos

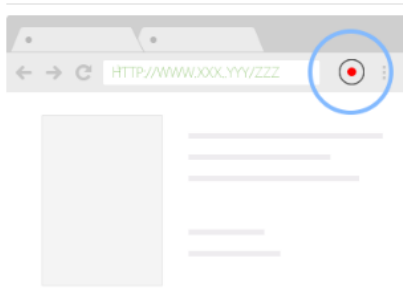

You can save videos delivered through HLS (HTTP Live Streaming) in mp4 format.

In order to use the extension, you have to read the [Terms of Service](#) first.

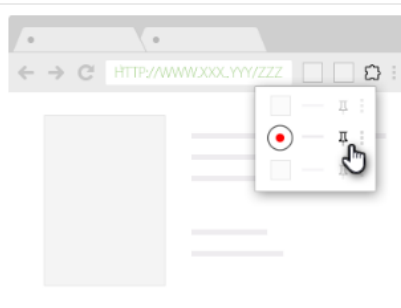

Please read it carefully and then click the button below.

[Go to the Chrome Web Store](#)

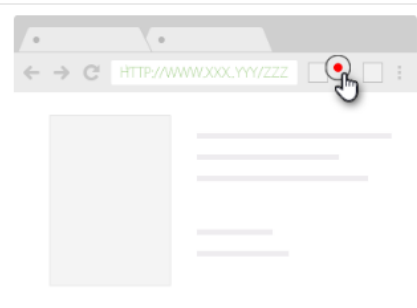

After Installation

Make sure the action button is displayed.

If not shown, refer to the figure above.

The action button can be dragged to change the display location.
